EXHIBIT ICBC

It is becoming increasingly difficult to gain an edge on the competition in the emerging international cannabis industry, and it's more important than ever to get your idea, product, or service in front of the right people at the right time. With executives, entrepreneurs and investors, from across the planet, our B2B trade show event in Barcelona is the perfect place to put your cannabis idea on the global cannabis stage.

AUDITORI DE CORNELLÀ

NETWORK SPAIN

Not all networking opportunities are created equal, and that is particularly true in the cannabis space. ICBC events are attended by cannabis leaders from dozens of different countries, with the Barcelona B2B trade show serving as the first major international cannabis event of its type for 2024. The conference itself will be held at the historic L'Auditori de Cornellà, with the after-party being held at the Hotel Arts Barcelona. If you want to network with the best in the cannabis space, our B2B trade show in Barcelona is a must-attend.
